

The Financial Crisis of 2008

Do you have questions? We have answers!
Come listen to an expert panel of GSU faculty discuss the how, the why and what happens now!

- How does everything going on effect my student loan(s)?
- Why are people seeing huge losses in their 401(k) and other retirement plans?
- Should I take my money out of the stock market and invest in CDs for now?
- Does the government bailout of AIG affect my AIG annuity?
- What do the bank mergers mean for the average bank customer?

Get these questions and more answered by the panel!
